We Make Bagels.

Undeniably addicting, delicious bagels that are made using the finest ingredients. Locally owned and operated, we are dedicated to giving Portland an amazing product using the traditional methods of Boiling and Stone Baking. The result is a bagel beyond compare with a deep amber crumb and a moist chewy interior.

Our bagels are preservative free. They contain no oils, eggs, dairy or fats and are Kosher certified.

We believe in environmental sustainability and use Non-GMO, Eco-sensitive and recycled products whenever possible.

We are happy to be a part of your day.
